

HUNTER KEMP

PROGRAMMER

PERSONAL BACKGROUND

17 year old developer, ready to take the leap into the infosec world.

I've been interested in cyber ever since I was younger, and after taking a detour into web development, I realise I'm not satisfied, I want to reach my goal of having a role in a cyber security job.

TECHNOLOGIES

- Wireshark
- VMWare
- Nmap
- Nessus
- Splunk
- Python
- Javascript
- HTML & CSS
- Lots of other programming-related stuff!
